

Dear Friends,

We are excited to share with you our new AIM website! We worked with Minnesotanicemarketing.com for creation and design of the site. It is still a work in progress so you will likely see changes in the next few months as we work to "perfect" it. Our main goal is to make it user-friendly.

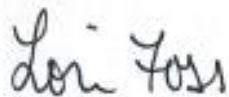

We have named it Friends of AIM. We wish for only friends and supporters of AIM to have access to the website as we do not want to put the ministry or any of our Indian friends in harms way of a government that may not be friendly to Christian ministry. We are asking you to **not share** the website address or password with just anybody.

The website address is: friendsofaim.com. The password is Luke15. (no spaces) We encourage all of you to check it out. You can email me at fosshomeservice@hotmail.com with your comments, questions and feedback. One of our goals is for the majority of our supporters to get information about AIM via the website. It will mean less expense for AIM for physical mailings. (less stamps, envelopes, paper, printer ink, address labels, etc.) You may sign up to be notified via email whenever we post something new to the website.

We have the following sections of AIM info on the website: About Us, Newsletters, Meeting Notes, Ministry Prayer Requests, Board Member Information, Pictures, Contact, and Donate. It is now possible to make your donations to AIM through the website!

We hope you will check out our new website and continue to keep the ministry in your prayers.

In Christ's Name,

Lori Foss, AIM Board Member
